

Main Features

- Plug in termination for flexible installation
- Separate cap mounting for flexibility
- Other configurations available upon request

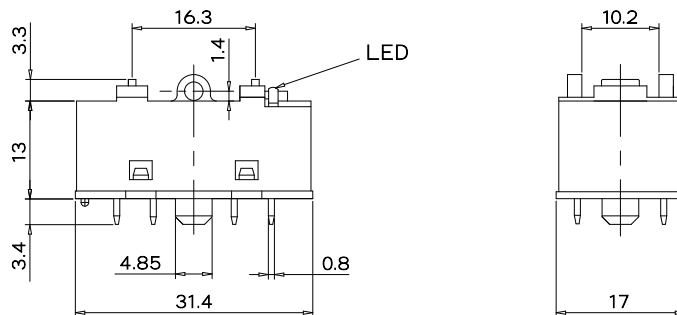

Typical Applications

- Power Window
- Roof Adjustment
- Seat Adjustment

Switch Data

Contact Rating	3A/14VDC
Contact Voltage	80mV/A
Nominal Voltage	13.5VDC
Electrical Life	1×10 ⁴ ops.
Operating Temperature	-40°C to +85°C

Overall Dimensions (mm)

Mounting Holes (Bottom View) (mm)
